WAYS TO SAVE IN THE NEW YEAR

Get a Credit Health Check Up

Understanding your current credit situation will help you plan for current and upcoming expenses, not to mention allowing you the knowledge to set financial growth goals and achieve them. And what better time to set financial goals than the start of a new year?!

By [clicking here](#), you'll find a section called "Credit Health." There you'll find several resources to help you get a better understanding of your current credit situation so you can set those financial goals, and work towards achieving them! It's just another way we here at PSCCU show our members we're here for them every step of the way.

Member Appreciation 60 Month Certificate

To show our members how much we appreciate their savings contribution into their not-for-profit financial cooperative, each member is allowed to open one (1) Member Appreciation Certificate (MAC). A MAC earns dividends as high as 1.71% APY on balances between \$500 - \$100,000 and terms up to 60 months!*

Debt Consolidation Loan

With the major spending season now behind us, and tax season looming, this is a good time

to look at all your expenses (debt) and get it under control. With a Debt Consolidation Loan with PSCCU, we can help you look at your current situation and help you consolidate some or all of your debt so then you just have one monthly payment and have peace of mind knowing the path of paying off that debt - for good! Holiday Club Savings

Let 2017 be the year you get ahead! Start saving for the holidays now with our Holiday Club Savings account. You can open the account at any time and then contribute as much and as often as you'd like. Then, come November 1, 2017, you can remove the funds and breathe a sigh of relief as you won't have to worry about affording all the merry and cheer of the holidays.
