WAYS TO SAVE IN THE NEW YEAR

Get a Credit Health Check Up

Understanding your current credit situation will help you plan for current and upcoming expenses, not to mention allowing you the knowledge to set financial growth goals and achieve them. And what better time to set financial goals than the start of a new year?!

By [clicking here](#), you'll find a section called "Credit Health." There you'll find several resources to help you get a better understanding of your current credit situation so you can set those financial goals, and work towards achieving them! It's just another way we here at PSCCU show our members we're here for them every step of the way.

Member Appreciation 60 Month Certificate

To show our members how much we appreciate their savings contribution into their not-for-profit financial cooperative, each member is allowed to open one (1) Member Appreciation Certificate (MAC). A MAC earns dividends as high as 1.71% APY on balances between \$500 - \$100,000 and terms up to 60 months!*
